1. My dear love, you are my hearts light

I am suffering and shed tears , because of your love

2. My heart is bleeding

I am thinking of you day and night

I am really crazy of your love

- Ahh ahh

- I am looking after you, but I can't find you

- Ahh my heat is hearting

I am dying of love

3. She is up on the sky, just like the stars

Sending her light down to me

Am just waiting her to come down

4. Your love is too heavy

The whole world is too small for me

I don't know where else to go

But just waiting and waiting you to come

- Ahh she just disappeared from my eyes

I searched every where but couldn't find her

Who can tell me where my love is
